

ADDENDUM NO. 1

Date: 7/24/23
Issued by: Sacramento City Unified School District
Project: Project #: 0825-0817
Backup Generator and Electrical Switchgear for Serna Center

This addenda shall supersede the original Information, attachments, and specifications regarding Project No. 0825-0817 where it adds to, deletes, clarifies or otherwise modifies them. All other conditions and any previous addenda shall remain unchanged.

Part A – Bidding and Contract Requirements

AD1.01 BIDDERS QUESTIONS

Question #1 – Looking for clarification on two of the items listed under the Generac BOM and one additional question;

The switchboard does not show electronically operated breakers, therefore the load shedding might not be necessary, unless the load shedding is for something else and or future capability. If load shedding is not needed, can this be eliminated from the bid?
