Division: Facilities Support Services

Recommendation: Approve Resolution # 2948

Background/Rationale: St. HOPE, California Montessori Project, Capitol Collegiate Academy and Aspire Capitol Heights Academy have made application to the Office of Public School Construction (OPSC) for modernization and new construction project funding under Proposition 1D. For OPSC to consider the charter school application complete, Sacramento City Unified School District must certify to the number of the District's unhoused students that the proposed project will serve. The certification must go before the school board as an action item at a regularly scheduled, publicly held meeting. The minutes from the meeting and the methodology used to determine the number of unhoused students certified must then be submitted to the Charter Schools and to OPSC.
