Division:

Human Resources

Recommendation:

The Chief Human Resources Officer recommends that the Board of Education adopt Resolution No. 2745: Amending Competency Criteria for Priority Schools (Ed. Code 44955(b)).

Background/Rationale:

On February 21, 2013, the Board of Education adopted Resolution No. 2735 "Resolution of Intention to Terminate Certificated Employees Due to a Reduction of Particular Kinds of Services" and defined, in Exhibit B thereto, the term "competent" for purposes of Education Code section 44955, subdivision (b). Competency Criteria C on Exhibit B to Resolution No. 2735 defined competent for purposes of working in a Priority School.

On March 15, 2013, Sacramento County Superior Court Judge Allen Sumner issued a statement of decision in *Acquisto, et al. v. Sacramento City Unified School District* ("Acquisto decision") holding, among other things, that the Priority Schools constitute a course of study under Education Code section 44955, subdivision (d), and employees assigned to those schools may be skipped if they possess training and experience that more senior employees do not possess. The *Acquisto* decision also held that the District's criteria to determine competency to work in a Priority School that was applied during the 2012 layoff process was overbroad.

In conformance with the *Acquisto* decision, it is recommended that the Board of Education amend Criteria C of Exhibit B to Resolution No. 2735 as set forth in Resolution No. 2745 and authorize the Superintendent or his designee to take all steps necessary to carry out Resolution No. 2735 with Criteria C as amended.

Financial Considerations:

None.
