ADMINISTRATION OF COMMUNITY FACILITIES DISTRICT

GENERAL ADMINISTRATIVE REQUIREMENTS

The Mello-Roos Community Facilities District Act of 1982 (the Act) requires that a Special Tax Report be prepared annually to identify the Special Tax Rate for all parcels to be assessed in the upcoming fiscal year. The levy data must subsequently be filed with the County Auditor before August 22 for inclusion on property tax bills.

After submission of the Special Tax levies, the final levies should be confirmed with the County Auditor prior to the preparation of tax bills, which typically occurs in October. The Special Tax is collected in two equal installments on the tax bills that are due on December 10 and April 10.

DELINQUENCY PROCEDURES

The District participates in the "Teeter Plan" whereby the Counties pay all delinquent special taxes to the District and in return the Counties institute collection proceedings and, when collected, keep all delinquent payments with interest and penalties. This plan allows the District to maintain reliable special tax revenues and reduces the cost of collection.

The District reviews the Tax Collector's public records annually by June 30 to determine the amount of special tax revenues and delinquencies during the fiscal year. If the amount of collections is less than 95% of the amount of special tax levy in such fiscal year, the School District has covenanted with bondholders to institute foreclosure proceedings no later than October 31 to enforce the lien against delinquent installments. The District is also obligated to institute foreclosure proceedings in the case of a single property owner who is delinquent by more than \$2,000. No property owner is currently delinquent by such amount and the delinquency rate on the special taxes is below 5%, so there is no requirement to commence foreclosure proceedings at this time.

5. Collection of Installments of the Special Tax

Installments of the Special Tax that are to be collected annually shall be collected upon the applicable Assessor's Parcels in the CFD in the same manner as ordinary ad valorem property taxes are collected and in accordance herewith; provided, however, that the CFD may collect installments at a different time or in a different manner if necessary to meet its financial obligations. All annual installments of Special Taxes shall be subject to the same penalties and lien priorities in the case of delinquency as is provided for ad valorem taxes. The Board shall cause the actions required above to be done for each Fiscal Year in a timely manner to assure that the Tax Collection Schedule is received by the Auditor of the County of Sacramento for inclusion with billings for ad valorem taxes for the applicable Fiscal Year.

6. Termination of the Special Tax.

The owner of a Parcel for which the Special Tax was not paid in full when due may, at any time thereafter, pay and permanently satisfy the Special Tax levied against such Parcel by paying to the Superintendent, by cashier's check or certified check payable to the CFD, an amount equal to the product of the Carryover Amount and the prepayment factor for the Fiscal Year in which such payment is made as shown in the table under paragraph 4(C) above.

In the event the Special Tax has been paid and permanently satisfied with respect to a Parcel, the Board shall record a Notice of Cancellation of Special Tax Lien as to that Parcel pursuant to Section 53344 of the Government Code. The Notice of Cancellation of Special Tax Lien shall identify with particularity the Special Tax that has been paid and permanently satisfied, shall contain the book and page number in the records of the county recorder where the Notice of Special Tax Lien being canceled is recorded, shall contain the legal description and assessor's parcel number of the particular Parcel of land subject to the lien, and shall contain the name of the owner of record of the Parcel. The Board may specify a charge payable by the owner of record for the preparation and recordation of this notice.

7. Appeals and Interpretation Procedure.

Any taxpayer subject to the Special Tax claiming that the amount or application of the Special Tax or an annual installment thereof has not been properly computed may file a notice with the Superintendent appealing the levy or collection of the Special Tax or annual installment. The Superintendent will promptly review the appeal and, if necessary, meet with the applicant and decide the appeal. If the findings of the Superintendent verify that the tax should be modified or changed, the Tax Collection Schedule shall be corrected if necessary and, if applicable, a refund shall be granted in accordance with Section 8 hereof. Any dispute over the decision of the Superintendent shall be referred to the Board, and the decision of the Board with respect to the Special Tax or annual installment shall be final.

Interpretation may be made by resolution of the Board for purposes of clarifying any vagueness or uncertainty as it relates to the application of the Special Tax rate, the calculation of the amount of any annual installment or prepayment amount, the application of the method of apportionment, the classification of Parcels, or any definition applicable to the CFD.
