

Sacramento City Unified School District
Board of Education Meeting

February 3, 2022 Public Comments

Name Isaac Gonzalez

Comment Dear SCUSD Trustees, as a parent of two children within the District, I would like to support proposed Trustee Boundary Map B as shown in the agenda packet. In my opinion, this is the best map of the five proposed at this time. In the future, I also suggest that a more inclusive process be adopted for redistricting, something which is closer in style to what is now done at the state and local levels. Thank you for your time and consideration.
