8.0 COMMUNICATIONS

8.1 Employee Organization Reports:

SCTA- Nikki Milevsky started by congratulating the Executive Officers on the Board. Ms. Milevsky shared that she appreciated the leadership of outgoing Board President, Chinua Rhodes. After, Ms. Milevsky shared that they have resumed their reopener negotiations with wages and improved s being the two remaining articles that are left to be resolved. They have reached a tentative
nt on an look
to being survey
that the district. SCTA. and Sac State recently conducted

among SCUSD educators to come to a deeper understanding on how to recruit and retain staff.

SEIU- No update

TCS- No update

Teamsters- No update

UPE- No update

goals. Four goals were sort of and close to broad goals. In January, they will review the list of equity multiplier identified schools per CDE, review the updated dashboard data by CDE which is available to the public tomorrow, and they are going to review the 2023-24 LCAP mid-year report as well. Ms. Ash shared they still do not have a full LCAP/PAC Committee, and they need one more member. Angela Ash shared that she would love to see the entire LCAP/PAC show up to the Board members, and she would love for the Board members to attend their meetings.

Black/African American Advisory Board-Terrence Gladney shared that B/AAAB was in the joint committee space that Angela Ash was referring to during her update to uplift the voices of their constituents that they represent, but also the narrative of Black and African American students in our district. Last week, they met and

general Board, so that they could connect in person and feel the energy and love from one another. Mr. Gladney shared that this work is hard, and often the numbers aren't many, but the work is always heavy and it's monumental. They have recognized that

No public comment

Board Comment:

Member Phillips really enjoys the passion that the team is putting behind our

Member Villa thanked staff for their work. Especially, for their work on the summer school program. It provides a service for students to gain enrichment and learning, and bonding friendships during the summer is invaluable.

and a unique sense of pride to the work that they do, and the Board sees it. Member Rhodes shared that he comes from the youth development space, and he appreciates the work. Member Rhodes asked if there was any structural plan around how we create pipelines from our people that work in our afterschool programming to becoming teachers for our schools. Member Rhodes would also like to see how youth voice and leadership works as well. Lastly, Member Rhodes would like to visit all the sites in his area, and would love to see how he can continue that connectivity as we go into the next year.

Member Kayatta shared a statement for anyone from SCOE who may be watching. Member Kayatta values the guidance and partnership that they offer to the district. Member Kavatta shared that having letters that come out from SCOE making

assumptions about our district, and our commitment to financial solvency, he is trying to avoid that. Member Kayatta shared that he is not sure if there are any State legislators with children in our district, but wanted to plug that we really need to protect the funding for our kids and for our schools.

Member Pritchett wanted Ms. Marking to clarify if there were any flags that the district should be looking out for with the one-time funds/ESSER funds expiring.

Member Singh made a motion to approve with a second from Member Phillips. The Board voted 7-0 with a student preferential yes vote.

10.2 Annual Organizational Meeting of the Board of Education

B/AAAB- Member Phillips and Member Singh

ELAC- Member Villa and Member Pritchett

LCAP- Member Jeane

DLAC- Member Singh

CAC- Member Kayatta

Member Phillips made a motion to approve with a second from Member Rhodes with all in favor.

Election of Officers: The Board Shall Elect a President, Vice President, and Second Vice President

Member Jeane nominated Member Phillips for Board President. Member Kayatta

Award for Equity and Access. Superintendent Allen congratulated the Board and acknowledged their leadership, and also Nathaniel Browning and the entire Facilities Team for their incredible work. The district has

also been awarded a K-12 Strong Workforce Program grant that will allow us to fully invest in our plan to convert the autoshop at John F. Kennedy High School into a zero-emissions lab. Superintendent Allen thanked the community for their outpouring of support during the Winter Jacket Drive at the Serna Center. Superintendent Allen shared that we are

three years on the Board and the work that the Board will continue to do.

During break, Member Jeanne wants staff to take time to rejuvenate and restore themselves in whatever way they need.

Member Kayatta shared that he does not know why the Board is not considering the Superintendent search firm tonight. The Executive

Committee does not feel compelled to share information with other Board

members, so he is asking here in public. To the people in Sacramento that are wondering what is going on, he does not know.

Member Rhodes shared that an email went out to the Board explaining
