Re: <u>Distance Learning Negotiations</u>

Dear Mr. Fisher:

For the past two months the District's negotiations team has met with the Sacramento City Teachers Associatin (SCTA) negotiating team to discuss the effects of opening our schools in a distance learning model for the 20201 school year on September 3, 2020. On July 2, 2020, the District shared its proposal stablishing health and safety protocols for our work sites for when employees return to the physical classroom space regardless of the arning model On July 16, 2020 the District shared with SCTA a proposal on the effects of distance learning provided a

response to the District's July 16, 2020 proposal on August 6, 2020. On A the District responded

to your August 6, 2020 proposated incorporated certain aspects of your proposal that were acceptable to the Distriction, on August 13, 2020, you provided proposed schedulies our elementary and secondary school while in a distance learning model, as well as smart start proposal that would apply during the first six days of our school year.

By letter dated August 17, 20,20th District offered to meet with SCTA's negotitions team on August 18, 19 and 21. SCTA responded to negotiation August 18, 2020, agreeing to negotiations on August 20, 2020, the one date that was not offered by the District because the District's lead negotiator was unavailable on that date due to the family medical matter On August 18, the District therefore to meetwith SCTA on August 19, 21, 22, 23, 24, 25 and 26, 2020. SCTA agreed only to the August 24, 2020 date offered by the District By letter on August 20, 2020, the District interior the August 24 date for negotiations and proposed that if the parties did not reach agreement on August 24, the District and SCTA meet on both August 25 and 260 notion this important work. On Friday, August 21, 2020, the District provided SOWITH its

responses tproposed elementary and secondary schedules.

When the parties met yesterday, the District's August 13, 2020 response to SCTA's proposal was reviewed, as were the proposed daily schedules that SCTA shared with the District on August 13 and those shared the District on August 21. After discussing these proposals, SCTA presented a response to the District's August 13, 2020, proposal that was largely similar to the <a href="mailto:same propostha">same proposthat SCTA</a> shared with the District on August 6The District is deeply disappointed that the proposal SCTA shared yesterday, which was eleven (11) days after our last negotiations sessin, showed very little movement on the part of SCTA related to the District's distance learning proposal. Unfortunately, it appears that the District and SCTA are still far apart on a number of key provisions, including:
