Recommendation : Ratify the application to participate in the K-3 Class Size Reduction Operations Program.

Background/Rationale : As part of the Class Size Reduction Program, the district implemented reduced classes for all first graders and several second grade classes during the 1996-97 and 1997-98 school years. For the 1998-99 school year the district further expanded reduced class sizes for kindergarten and third grades. In 1999-2000, the district fully implemented the K-3 Class Size Reduction Program. This application will start the flow of funding for 2011-12.

Financial Considerations : The state provides operational funding to implement the Class Size Reduction Program. For 2011-12, the operational funding is \$1,071 per pupil. The application for funding combines the district request and Bowling Green Charter Elementary School (dependent
