Isa Sheikh Student Board Member Thank you for your response to the District's August 17, 2020 letter regarding continuing distance learning negotiations and offering to meet with the District hursday, August 20, 2020. As you know, our letter of August 17, 2020 offered to meet with SCTA to continue distance learning negotitiants on August 18, 19, and 21. We did not offer to meet on August 20, the date you selected to meet with the District's negotiations team.

While the District's negotiations team remains committed to moving these negotiations forward and offered three days this week, as well as the weekend, for negotiations, we did not offer August 20 because the District's Chief Labor Negotiator is not available on that dateOur Chief Labor Negotiator has a close family member who is having a medical procedure on August 20 and she will be unavailable while she cares for her family member on that date.

The District's negotiations team remains available to meet **SQT** A's negotiations team to continue distance learning negotiations tomorrow, August 19, as well as August 21, 22, 23, 24, 25, and 26. Please let us know as soon as possible which of these dates will work for SCTA's negotiations team the District wouldike to get several dates scheduled for these negotiations so that we can continue this important work. When we meet, the District's team will have a response to SCTA's schedules presented on August 13, 2020 and looks forward to receiving SCTA's respondente District's August 13, 2020 counter to the District's July 16, 2020 proposal. mt e
