

PREQUALIFICATION APPEAL PROCESS

Appeal Procedures

Contractors will be allowed to appeal a negative pre-qualification determination in accordance with California Public Contract Code §20101.4. There is no appeal from a refusal for an incomplete or late application. Without a timely appeal, the Contractor waives any and all rights to challenge the decision of the District, whether by administrative process, judicial process or any other legal process or proceeding.

In conjunction with this Pre-Qualification Policy, the District hereby establishes a Bidder Pre-Qualification Appeals Panel. The Contractor shall submit his/her appeal in writing to the District's Contract Specialist no later than 4:00 p.m. on the FIFTH business day following the day on which the notice of rejection was mailed to the Contractor. The District shall act upon properly filed requests within ten (10) calendar days from the date of receipt of such request. If, after review, the District again rejects the Contractor's application, the Contractor may request an administrative hearing with the panel.
